JZ01

PRODUCT MANUAL

Name Executive Table
 Model JZ01B(L/R)/JZ01H(L/R)
 Size 2400(W)*2136(D)*750(H)
 2800(W)*2136(D)*750(H)

Executive Table

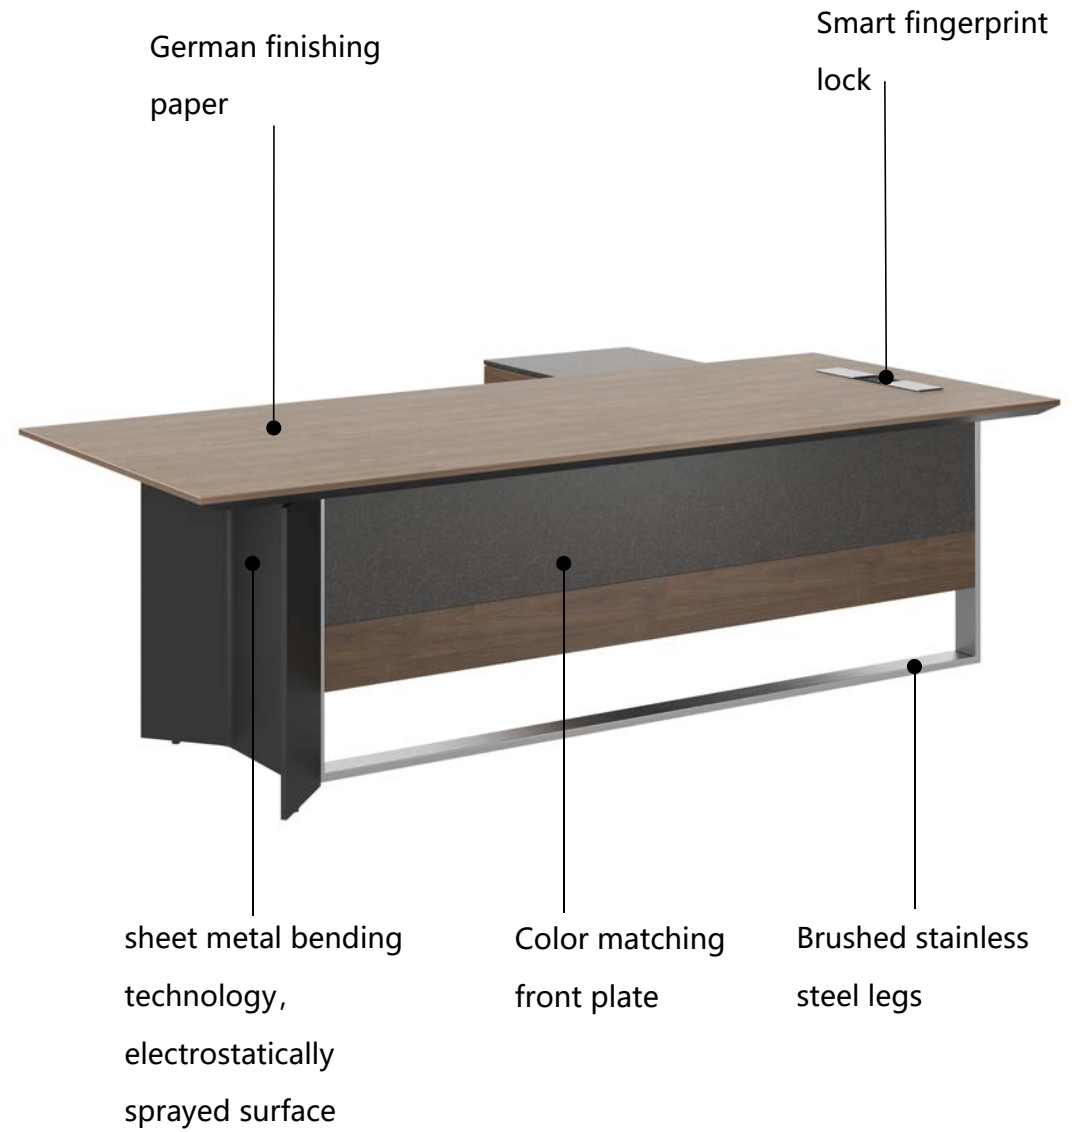

1. Table top 50MM thickness, E1 environmental protection MFC board 60° bevel processing, PVC edge banding, bevel edge paint processing.
2. Cabinet 16MM thickness, E1 environmental protection MFC board, PVC banding.
3. Front plate 16MM thickness, E1 environmentally friendly MFC board, color matching treatment.
4. The stainless steel frame and the supporting legs of the cabinet are made of 1.2MM thick steel, and the surface is brushed.
5. The support legs of the main table are made of 1.2MM thick sheet metal bending technology, and the surface is electrostatically sprayed.
6. German finishing paper.
7. Smart fingerprint lock.
8. Multi-function cable box with power socket and USB interface.

COLORS

C16 Walnut

C18 Grey
