

Wang Hua

王画的装置作品将观众带入一个不囿于单一时间线的世界,一个时间 交错重叠的世界。

通过对传统材料及制作手法的不断挑战,在自然和人工痕迹之间跳跃,雕塑的质感和形状共同阐述着王画视觉故事的框架,交错而成的锁链曾是约束的象征,而陶瓷则赋予了其脆弱的特质。

万物都可形而上化,就如同跟现实物质世界恰好相反的危险的梦境。

Hua's installation brings you to a world that is not restricted to a timeline, a world where time frames overlap.

Challenging the traditional material functionality, using nature and artificial means, together her sculptures hold structure of a narrative story. Meat comes in the shape of a hook – hooks of flesh.

Chains that are a symbol of restraint now show fragility. Everything is metaphysical. It is an uncanny dream that contradicts the existing physical world.

一条手链, A Bracelet (2018)

王画将她对观念性的探索延续到了了她的第一件题为"一条手链"的冰雕作品中,她试图通过使用用可溶形液体材料对链条的自然属性进行再一次的重新诠释。花费19个小时将一条人工雕刻的冰制成的链子融化成30公斤重的水,即为将可视的物质链条作为工业化产业链的象征性产品在此转换成了一根环绕相连的冰做的链条。

经过反复的绘图和对包括玻璃,树脂等材料的试验,她将这件作品的搬进了一间冰雕工作室,在那里,王画和冰雕雕塑家一起制作了4条直径1米的水晶般透亮的冰链条。强调材料的转换过程的深远意义和对权威的理解,"看不见的链条"想表达的是权力与恐惧之间不可分割的关系,权力的幻象,对恐惧的记忆,生产和消耗,在矛盾和平衡之间脚力。运用稍纵即逝的来自材料的手段再造这一具有浓重工业色彩的"工具","看不见的链条"隐喻性的描绘了了以工业革命为背景的受限的产物,同时也是对时间短暂而瞬息万变的理解和表达。

Hua's exploration of perception continues in her first ice sculpture titled "A Bracelet", where she tried to reinterpret the nature of chain as a mutable liquid. This attempt to translate the powerful symbolic industrial product into a large ice bracelet chain, transfigures visible matter by melting down 30 kilos of it during the course of a day. After making initial sketches and conducting various experiments with material such as glass and resin, she moved her work's production to an ice sculpture workshop. There she worked together with the ice sculptor, creating four sets of one meter by one meter crystal clear ice bracelets.

While visibly focusing on profound material transformation and notions of authority, "A Bracelet" deals with the inextricable relationship between power and fear, the illusion of power and the memory of fear, but also with notions of mass production and consumption. Effectively remaking an industrial product by adopting much temporary industrial means, "A Bracelet" metaphorically represents a constraint product of industrial revolution and also its ephemeral notion of time.

行为作品"一条冰做的链子子"是围绕艺术家王画的冰雕作品"A Bracelet"所展开的——系列表演性质的行为,在这里这件作品天然的可溶性质得到了最大限度的发挥。 链条不仅是带有抑制和阻止的象征性的机械化批量生产的工具,同时也可以是精雕细琢的暗示着浮华和享乐精神的精致的装饰物。

为了挖掘出更多样的可能性,王婳与录像艺术家王小红合作将链条带出零度以下的环境 并且开始了一段不拘泥于形态的重生般的"旅程"。

选址在英国伦敦 的巴特西公 园,不只是因为这个区域不断增长的艺术活跃度,也是因为巴特西地区目前正在经历的翻天覆地的发展和改变。伦敦南部近年来的转变就如同这件冰做的链条的形态的改变,剧烈且戏剧。

In the subsequent performance piece 'Give Chains a Chance', the artists will re–invent an after life in various forms for the remains of the ice chain. This performance is centred around Hua's ice sculpture titled A Bracelet, where she reinterpreted the nature of the ice chain as a mutable liquid. The ice chain is as much as a symbol of suppression as an exquisite ornament, with implications of vanity and pleasure. In an attempt to further its versatile potential, we took the remains from the ice chain on a journey and gave it an after life in various forms. Battersea Park in London was chosen as the site. Battersea is not only rising as an area attracting the art world, but also an area that is undergoing dramatic changes. The area's shifting and transforming identity is similar to that ice chain.

王画的装置作品"在静默中唱着"再一次出现了她作品中反复出现的元素"环—— 环环相扣",这一次圆环以层层叠叠的方式链接彼此,在轴承的带动下呼吸,旋转,一圈又一圈。变形的长笛头尾相接,连成圆,失去了声音,取而代之的是无限的旋转,27套旋转的长 笛,富有生命力的一呼一吸,带着对生命的敬畏,带着观众进入一个冥想的世界,时间在这 旋转中转化成了空气中的微小物质,留下的,是这持续的,不间断的运动的力量。

《绞缠》可以被视为一则关于艺术家自身生命体验的半自传体小说。只不过,晦暗不明的叙事要素在艺术家的精心设计中互相绞缠,反而为链接观者的共情制造了罅隙。

尽管艺术家罕见的在自己的作品中使用了一种相对具象的形态,一些带生命特征的形态,但在这些形象及其"证据"即将浮出水面的之际,艺术家就刻意将他们拉扯回充满未知的海底。位于展厅中央的系列作品名为《我与你》,三个半人半植物形的陶瓷"树精"被置于玻璃柜上,并且在展厅中呈现出正在离散的趋势。这三个形象分别指代男性、女性及无性别者,或父亲、母亲与孩子,柜子下方同时放置这些"人物"的表皮,提醒我们这些正处在消解、变形过程中形象的不稳定性。《理性之家》则是这组"人物"的家,这座由水晶树脂制作的冰雪小屋似乎也处在坍塌的进程中,并在一种近乎幽闭恐惧的氛围中讲诉了观者与这"一家人"之间内外关系的不确定性:主客关系可能在一瞬间就被倒转。

一旁,记录时间的冰锥装置被放在以粗粝陶泥制作简陋台基上,坟茔的形象宣示了时间已死,一切都被挤压在一个这个不确定的瞬间,新的时空或将开启。上述作品构成了一个完整故事的时间、地点与人物,但是故事的前因后果却被隐藏,只是在这个特定的时空坐标上展现霎时间的景象。

艺术家经典的"链条"图式在这次展览中变得不可捉摸。2018年,艺术家在伦敦制作了第一条冰链,并将其放置在常温环境下,见证这一兼具暴力与精致特质人造物的消逝过程。随后,"链条"成了贯穿艺术家创作的核心意象,直至其被逐渐剥离原义,变成一种缠结的抽象形式。这一次,除了展览同名作品《绞缠》以外(这一作品的色彩与形状呼应了艺术家在2020年的作品《库尔勒的梨》,这提示了艺术家在早年在新疆生活的经历),剩下的链条形象都被定格在了一种介于融化与凝结的居间状态中,它们是新的关系诞生前的最后一瞬间

艺术家试图在展览中制造了一种相对主义的不可知色彩,"绞缠"一词便可以部分地由"矛盾"来替代。这也体现在作品的命名方式上,它们几乎都具有一种自我消解的谐趣,例如,"理性之家"其实并不那么理性,"注定的"也成了不一定。链条意象在作品《注定的》中变形为一种宿命论式的DNA双螺旋分子结构,而且被煞有介事的供在包裹了以金箔制成的(并可能正处在融化过程中中的)黄金基座上——黄金质地底下粗糙的陶土胚似乎在预告什么——仔细一看,这不过只是寻常鱼缸,那些在缸中自在游弋的活物丝毫不为这一命定论所动。

或许是对这种戏谑仍不满足,艺术家在《已知未知》中为我们呈现了一枚可以占卜展厅中这些人与事之命运的水晶球。托起水晶球的雄狮被替换为用18K纯金打造的象征女性的蓝妹妹,命运的链条指向远处,展厅中若即若离的作品之间的张力便被这一神秘玩具轻轻地消解了。

展厅处在一种"即将"的瞬间。生命即将发生变化,或者什么都不会发生。艺术家即将向我们讲述她自身的隐秘,只留下了一些隐秘的证据,却为观者腾挪出与自身经验形成投射的开放空间。

Hua Wang was born in Xinjiang Uygur Autonomous Region, China. In 2012, she graduated from Central Saint Martins. After studying and practicing in a porcelain workshop in Jingdezhen for a year, she was admitted by the Royal College of art in London and went to London to continue her study of ceramics, sculpture and contemporary art. Hua Wang's experimental practice can be seen as a ceramics testing ground as well as a conceptual laboratory that investigates diverse personal, social and political themes. Hua specializes in using different media to address philosophical issues of interest to her, such as aggressive consumerism and gender identity, which are inextricably linked to traditional cultural contexts. She applies all kinds of techniques on materials to respond to conditions where family stories and social events are inextricably interwoven within the autobiographical structure.
