Who We Are

Our factory established in 2010, specialized in manufacturing high-quality food packaging products. Backed by decades of industry experiences, we have built a reputation for reliability and excellence, serving clients from diverse sectors including wholesales, distributors, coffee shops, restaurants, schools, farms, supermarkets, etc.

We located in Anhui Province, near the main ports of Shanghai, Ningbo and Nanjing. With 20,000 m² of production space, 5 workshops and more than 20 production lines. We enable faster leading times and capable of a monthly output of 100 containers to meet market demand.

At Biopackage, we take our packaging seriously as we hope people elevate the eating experience, keep food at the right temperature, and be easy to use. At the same time, minimize the impact on the environment, making it a sustainable choice for the world. We also have strong R&D team can design and manufacture a custom solution addressing your graphic and structural needs.

We actively seek strategic partnerships to expand our market and enhance our offerings. Collaborate with us to explore mutual growth opportunities, we provide competitive margins to ensure successful market penetration and customer satisfaction.

Inside this catalog, you will find products that will help you meet your business's needs. If you don't find a solution that works for you, call us.
